Advertisement Schreier: SaGa Scarlet Grace never made it to the West - do you plan to ever bring it here Kawazu: I would like to make this decision after monitoring the situation of Romancing SaGa 2 in the overseas market.. Have you considered localizing original versions of those games Kawazu: The latest version of Romancing SaGa 2 also implements modes that are very close to those in the original.

Are there any plans to release those remakes in the West Are there plans to remaster any other SaGa games Kawazu: It happened to be a time in which it was extremely difficult to determine whether the games should be released overseas or not, and we unfortunately had to forgo the overseas release.. Furthermore, an English version hadnt been developed for gaming consoles yet, so that became another reason for taking on this project.. We wanted as many players as possible to have an opportunity to experience this game.. GO Media may get a commission Acer Chromebook Spin 713 Buy for 629 from Best Buy Schreier: Theres been a lot of focus on Romancing SaGa 2, both with the iOSAndroid ports last year and now these new ports - why did the team choose to focus on that game specifically Kawazu: We focused on this title because we determined there is value in playing this particular game in modern times due to its unique game mechanics.. As the latest releases for both titles were on the DS, there are high hurdles to realizing such a project since the games would need to be rearranged to fit the current landscape of single screen gaming devices. That said, we are hoping to continue bringing titles from the SaGa series to a wider audience I dont know when this will be, but I would love to tackle those projects.. Home Latest Video The Bests Highlight Reel Reviews Impressions Cosplay SaGa Frontier Director Says Ending In The Middle Of The Final Boss Was Intentional Jason Schreier 121917 12:00PM Filed to: saga saga akitoshi kawazu kotaku core romancing saga 2 romancing saga saga frontier 46 11 Romancing SaGa 2 Square Enixs Akitoshi Kawazu, director of the SaGa series, says he doesnt want to go back to Final Fantasy.. Advertisement In 2016, Square released a mobile remake of Romancing SaGa 2, a 1993 role-playing game for the Super Nintendo and the fifth game in Kawazus quirky series.. Its finally available on current gaming devices, and furthermore, it can be played in English, so we would love to see everyone attempt to take on this challenge. Advertisement Schreier: Remakes of classic games like Romancing Saga 2 are great to see, but unlike Japanese gamers, we in the West don't have the option of legitimately playing these games as they originally appeared.. And, believe it or not, that jarring ending to Blues campaign in SaGa Frontier was totally intentional.. The game was created over 20 years ago, but to this day, it still stands as a title that upholds a unique mechanic with no comparable RPGs in existence.. Last Friday, Square brought the remake to modern consoles (including Switch), and to celebrate the occasion, the company offered me an e-mail interview with Kawazu.. Here's the whole QA: Interview has been lightly edited for clarity Jason Schreier: To readers who might not be familiar with Romancing SaGa 2, can you talk a little bit about the game and why you think people should check it out on these new platforms Advertisement Akitoshi Kawazu: The main character is the Emperor.. I sent over a bunch of questions about the game, his plans for the series, and my obsession with SaGa Frontier, a game that is wonderful, maddening, and almost certainly unfinished.. Advertisement That Time A JRPG Ended In The Middle Of A Final Boss Battle Over the past few years, there have been many complaints about video game endings that they're Read more Schreier: I have many fond memories about SaGa Frontier, and I really enjoyed that game, but it's also infamous for having parts that seem to be unfinished. cea114251b [Mac And Devin Go To High School Download Movie](#)
